

THE ANTIGUA CHARTER YACHT SHOW

4th – 9th December 2022

We are pleased to again invite Brokers, Marine Vendors, Captains & Press to join us at the 61st ACYM. As our regular visitors are aware 2020 did not take place and 2021, even though a memorable gathering of our elite was not up to its usual splendour due to the limited number of yachts attending and the general restrictions imposed due to Covid.

We are pleased to say that this 2022 edition is shaping up to be a gathering, similar, if not better than those pre-pandemic days, in fact we are expecting a tremendous Antigua Yacht Show. The yacht charter industry has seen a quite incredible resurgence during the past months, yachts are busier than they have been in years, agents are getting back on their feet and brokers are smiling again, our industry is booming.

We expect a deluge of yachts to cross this year, or arrive with us from other distant destinations, enticed by the possibility of picking up lucrative Charters. They will assemble on the docks at Nelson's Dockyard Marina - English Harbour, Antigua Yacht Club and Falmouth Harbour Marina. The Captain's will be inviting all of the brokers attending, upwards of 300 are expected, to visit their vessels and tour the yacht, meet the crew, in many cases to attend onboard events, even sample the chef's creations, all with one purpose in mind, to impress. It is important that a broker knows and experiences the quality of the yachts that within a few short days they could be recommending to their clients.

The show offers amazing events for industry vendors to network, these vessels and crew depend on their services that are needed to run efficiently. Vendors get the opportunity to speak to Captains and Crew and network throughout their stay on Island, and to also attend many of the events that will take place shoreside and onboard.

Throughout the span of the show there will be exciting networking events taking place for Brokers, Captains, Chefs, Crew and Vendors, please visit the ACYM website for a full run-down.

Also new at this year's show will be a section 'Yachts for Sale'. These vessels can be viewed on the 9th December.

To bring your yacht along you will need to register your vessel, this can be done now by visiting: www.antiguayachtshow.com
