

Antigua Sdowners Evening

The Superyacht Charities foundation¹ is going transatlantic! For our first event outside Europe we will be hosting a Sdowner evening in conjunction with the Antigua Yacht Show - sponsored by MIMO Connect and Roaming Expert.

Show attendees and local Yacht businesses will all be spending a relaxed few hours in each other's company with plenty of local flavour in the form of barbequed delicacies and the SYC DJ playing tunes with a local and international vibe all evening. We will be at the stunning Boom Restaurant in English Harbour and ask you to wear your most colourful outfits.

Our aim is to get as many of you lovely people there for the evening to raise much needed funds for The Environmental Awareness Group of Antigua & Barbuda. So, we have kept the ticket cost nice and low, and let you decide how much you want to spend at the cash bar. As usual we will have a premium raffle with some super prizes for you and maybe some top items to put into an auction.

Funds raised will be in support of their valuable work protecting the fragile coastal and marine ecosystems of these islands for current and future generations.

Time & Date: 18:00 - 22:00, 4th December 2021

Location: Boom Restaurant & Bar

Dress Code: Colourful
